

Remarks

In response to the correspondence of February 21, 2003, claims 8 and 16 have been further amended. The word "preferably" has been deleted as requested in claim 8. In claim 16, it has now been clarified that it is the unembossed ply that is creped in addition to the embossed ply.

Conclusion

In view of the Amendment and Remarks, reconsideration of the application is respectfully requested. Claims 1-15 are still pending and a Notice of Allowance for these claims is earnestly solicited.

Respectfully submitted,
